

Discover how easy controlling your home can be...

ENTERTAINMENT | AUTOMATION | LIGHTING | SECURITY

Our projects have received many international awards for innovation, workmanship and documentation throughout Asia-Pacific and the world.

You can be secure in the knowledge that Liquid Automation is a company of substance, whose performance is held in the highest regard within our industry, and also more importantly, by our clients.

CREATING INSPIRATIONAL ENVIROMENTS

Liquid Solar

With nearly 20 years of invaluable experience in the electrical and engineering industry we are the perfect partner for your solar requirements. Not content with accepting off the shelf solutions, we always look to find better ways of maximising the potential of the solutions we offer. Our investment into research and design is helping us find better ways of optimising solar solutions for your benefit.
